queer films to students.**

## **Call for Submissions**

**No Entry Fee | No Deadline**

Out On Screen is the producer of the annual Vancouver Queer Film and Video Festival.

We've established partnerships with student-driven Gay Straight Alliances (GSA's), youth outreach centres, school boards and educators to bring queer films to high schools and facilities throughout the province of British Columbia. We host post-screening discussions where we chat with youth about key issues like bullying, homophobia, stereotypes and coming out.

During the 2005-2006 school year, Out in Schools delivered 40 presentations reaching nearly 2000 students. We are in the process of developing study units to integrate Out in Schools into the provincial curriculum.
